

Help change the lives of children across Australia impacted by trauma by joining the Act for Kids Stadium of Hope campaign this September 2026.

More than 42,000 children are confirmed to have experienced abuse and neglect in Australia during 2023/24. That's the size of a packed crowd at Suncorp Stadium, just shy of a full house. Imagine nearly every seat filled by a child impacted by trauma. That's the heartbreaking scale of the issue we're working to change.

This September, sign up your school to fundraise for Child Protection Week and get behind the Stadium of Hope. Have fun, get creative and work together to help fill as many seats as you can.

**Every \$10 raised fills a virtual seat!
Together, let's stand up for kids who need us.**

You're only a few steps away from bringing the Stadium of Hope to life at your school:

- Register your school [here](#).
- Save Stadium of Hope in your calendar for September
- Decide how your school would like to take part – maybe a free dress day? Crazy sock day? Bake sale?
- Share the idea with your staff, students and school community
- Bring your Stadium of Hope moment to life on the day
- Contact us at fundraise@actforkids.com.au for any help or ideas

Thank you! Every effort helps fill a seat, and every seat represents a child who deserves to feel safe and supported.
